Dear Colleagues,

If a purchase order or p-card is unavailable, petty cash can be used to reimburse an employee for non-recurring immediate/emergency business expenses. All reimbursements requests are subject to review and approval based on the facts and circumstances pertaining to that request. Below are lists of examples:

**Acceptable use of Petty cash:**
- Local travel expenses such as POV, tolls, taxis, Uber/Lyft
- Emergency repair of equipment
- Postage
- Business representation/ donor cultivation activities, including meals
- Local and virtual conference registration *only*
  - Petty cash limit is $800.00
  - Reimbursement requests should be submitted within 30 days *after* the employee has attended the conference, not before.
  - Registration late fees will be approved at the supervisor’s discretion.
  - Payment by purchase card (by SAO Purchasing using the requisition->PO process) is an alternative to petty cash and preferred, whenever practical, particularly for events with a large SAO attendance (e.g. AAS).

**Non-Acceptable use of Petty cash:**
- Software
- Office Supplies and Equipment
- Subscriptions/ memberships
- Job Posting
- Conference registration involving TDY travel – (This should continue to be reimbursed via the travel authorization/voucher process or, alternatively, paid by SAO Purchasing using the requisition->PO/purchase card process.)

All reimbursement requests, other than conference reimbursements (mentioned above), which exceed the $300 threshold should seek prior approval from Karen McLaine.
