Subject: Online eOPF Self-Service Feature for Login ID and Password Retrieval for New Users

As of 08/31/2015, Smithsonian Institution Official Personnel Folders (OPFs) are available online for employee access via the electronic Official Personnel Folder (eOPF) application. eOPF provides web-based access for all Federal agency personnel to view and manage employment documents. All employees are able to view their own OPFs through the eOPF application at https://eopf.opm.gov/si/logon.aspx. eOPF includes security measures that ensure the integrity of the system and employee documents in the system.

Your eOPF benefits include:

- Immediate access to your files
- Ability to view or print your OPF
- Email notifications when documents are added to or deleted from your file
- Enhanced accuracy, portability, and security of official personnel records
- Increased accountability through an audit trail that tracks who accesses your OPF and why
- Faster and more efficient records transfer between Federal agencies
- Timely and accurate data retrieval for retirement claims processing

Additionally, eOPF allows Human Resources (HR) personnel to more efficiently perform their jobs. This reduces the time it takes to record promotions, employee transfers, and retirements from months and weeks to near real-time.

Obtain Your eOPF ID and Password, and then Logon to your Account

Accessing eOPF is simple and convenient and no longer requires an appointment with your HR servicing officer. To access your eOPF, you need an eOPF ID and password, which may be retrieved using the eOPF Self-service feature. This Quick Reference document consists of three sections.

Part 1: Obtain your eOPF ID

Part 2: Obtain your eOPF temporary password

Once you retrieve your eOPF ID and temporary password via eOPF Self-service, go to:

Part 3: First time eOPF logon process
