

Mark and Carol's NY house is 8 S. Park St. (Rt. 22), Cambridge NY.

Directions from the Boston Area:

Take Rt. 2 West all the way to North Adams (the only place you could get messed up is that it joins I-91 briefly, so remember to take the first exit off 91 to stay on Rt. 2).

As you enter N. Adams (after hairpin turn) you will pass a couple of mill buildings, and then come to a bar called Ace's on the left. Take the right opposite Ace's (Canal St.) and then follow that straight thru a couple of quick lights and then continue a few miles. It will eventually end on VT Rt. 7 at the Cozy Corner Restaurant. Take a right (Rt. 7 N) for about 2.2 miles, then take a left onto Vermont Rt. 346. This twists around thru Pownal VT but just follow it for about 7 mi. into NY. You will see a right for NY Rt. 95(!) which winds thru farm country, crosses NY Rt. 7 at a stop, and then meets Rt. 22 in Hoosick Falls (you'll do a dogleg right when you join 22), continue north on 22 for about 8 miles. When the speed limits drop as you come into Cambridge village, you'll see the high school on your left. About 4 houses past the school on the left is our house (corner of Rt. 22 and Avenue A).

Bonus features:

The directions above are about the quickest and the nicest drive on a nice day, and...

If you need to stop for coffee or whatever in N. Adams, you can stay on Rt. 2 all the way thru the town and into Williamstown, then take Rt. 7 north at the traffic circle past the college. Follow directions above after you pass the Cozy Corner.

If you miss the turn onto NY 95, you will quickly come to Rt. 22, so just hang a right and follow it all the way thru Hoosick (but there's construction so it's a little messy).

If you're coming from Saratoga, you want to get to Greenwich and then take Rt. 372 back to Cambridge, then right onto S. Park.

You can also take the Mass Pike all the way to New York, and then take the first exit in NY (Exit B3), which is Rt. 22. Follow it for about 50 miles north to Cambridge.
